

Celebrate Water Awareness Month in May!

May 2003 is designated as Water Awareness Month throughout California.
Celebrate Water Awareness Month by participating in :

Free Water Checkup

During May, and throughout the year, the City offers our water customers a free water checkup to help you save water and check for leaks. Also included is an evaluation of your irrigation system to make sure it is working efficiently.

To schedule a water checkup or for more information on City water supplies and how to save water, call 564-5460. Check out www.h2ouse.org for tips on saving water.

Water Display and Tres Condados Girl Scouts Water Mural

Stop by and pick up information on local water supplies, water conservation and more.

Date/Time: Throughout May,
8:00 AM to 5:00 PM weekdays

Location: Santa Barbara County
Administration Building Lobby
105 Anacapa Street

Tour of the Charles Meyer Desalination Facility

The facility was constructed in 1992 in response to severe drought and now is part of the City's permanent water supply for use during future droughts if necessary.

Date/Time: Saturday, May 10, 9:00 AM
Location: 525 East Yanonali Street

Tour of the Alice Keck Park Memorial Garden

Join Billy Goodnick, City's Landscape Architect, for a tour of the low-water using demonstration garden portion of this beautiful park.

Date/Time: Saturday, May 31, 10:00 AM

Location: Alice Keck Park Memorial Garden
Meet at the corner of Santa
Barbara and Micheltorena Streets.

Santa Barbara County Water Awareness High School Video Contest Winners in Review

Tune in to City TV Channel 18 to see videos that local high schools have created highlighting the importance of water use efficiency.

Date/Time: For schedule, see
www.citytv18.com
or call 564-5640

at 6:30 p.m.**

Airs throughout the month

**Mon. 8:00 p.m.
Tues. 5:00 p.m.
Wed. 6:30 p.m.
Sat. 9:00 p.m.
Sun. 10:30 p.m.**

In the Works

These are two of the various Public Works projects that are underway in the City. Please drive carefully and give us a 'break' when you see an orange vest.

State Street Crosswalks, 400 & 500 Block & Cabrillo Boulevard Intersection

The City is currently replacing several of the older deteriorated tiled crosswalks in the downtown area. The material being used is the hard-fired brick which has proven to be a success in last year's project in the 600 block of State Street. Construction began in the 500 block of State Street on April 16. The concrete subslabs for the 500 block crosswalks are currently being constructed. With some cooperation from the weather, the project may be complete prior to Memorial Day.

Cater Water Treatment Plant Rehabilitation

The Cater Water Treatment Plant is currently undergoing a major upgrade which will replace aging equipment, increase plant reliability and efficiency, and make changes needed to continue delivery of safe drinking water. The two-year project, which began in September, 2002, is now approximately 25% complete.
